DELTA DYKE AND DRAIN BY-LAW OF THE MUNICIPALITY OF DELTA.

A By-Law to provide for the Draining and Dyking of a portion of the Municipality of Delta, to be known as the "Delta (1895) Dyking and Drainage Works," and for borrowing upon the strength of the said Municipality the sum of \$41,320.51 for completing the same.

[Provisionally adopted the 10th day of June, 1895.]

WHEREAS a majority in number and value of the owners, as shown by the last revised assessment roll of the property hereinafter set forth to be benefited by the construction of the drainage and dyking works hereinafter provided for, have petitioned the Council of the said municipality, under the "Municipal Act, 1892," to cause the examination to be made of the following lands to be benefited, namely:—Commencing at the high land on the Chewassen Indian Reserve; thence along the Gulf of Georgia to Canoe Pass; thence along Canoe Pass to Fraser River; thence along Fraser River to the high land opposite Annacis Island:

And whereas thereupon the said Council procured an examination to be made by Mr. A. R. Green, Civil Engineer, being a person competent for that purpose, of the said locality proposed to be drained and dyked, and has also procured plans and specifications and estimates of the work of construction to be made by the said A. R. Green, and an assessment to be made by him of the real property to be benefited by such drainage and dyking, stating, as nearly as he can, the proportion of benefit which, in his opinion, will be derived in consequence of such drainage and dyking by every section or lot, or portion of section or lot, the said assessment so made being the assessment hereinafter by this by-law enacted to be assessed and levied upon the sections or lots hereinafter in that behalf specially set forth and described, and the report of the said A. R. Green in respect thereof and of the said drainage being as follows:—

"NEW WESTMINSTER, May 29th, 1895.

"To the Reeve and Municipal Council, Delta, B. C.

"GENTLEMEN,—In accordance with instructions received from your honourable body to make examinations, surveys, plans, reports, estimates, and schedule of assessments for the construction of a dyke, as petitioned for by F. B. Pemberton and others, I beg leave to report that I have made such examination, surveys, plans, and reports, estimates and schedule of the sections, and I recommend that the work be done as follows:—

"That an earth embankment, of dimensions as stated in my plans, and cross-sections provided with all necessary outlets, be constructed, beginning at the high land on the Chewassen Indian Reserve; thence along the Gulf of Georgia to Canoe Pass; thence along the south bank of Canoe Pass to Fraser River; thence along the south bank of Fraser River to the high land opposite Annacis Island.

"These works will benefit lands in 3, 4, 5, and 6 townships.

"I estimate the costs of the works to be \$41,320.51, as shown in my detailed estimates. This sum I assess as in the accompanying schedule against the lands benefited.

"I recommend that the maintenance of the dyke, ditch and boxes, gates, &c., be at the expense of the lands assessed for the works herein reported on, and the said lands paying in the same relative proportions as for the said works.

"I have the honour to be,  
Gentlemen,  
Your obedient servant,  
A. R. GREEN,  
Civil Engineer."

And whereas on the 4th day of May, 1895, a by-law was passed and provisionally adopted by the said Municipal Council of the said Municipality of Delta to provide for the draining and dyking works contemplated by and provided for by this by-law, but before the same was finally passed certain errors and omissions were discovered therein, and it is desirable therefore to repeal the same and enact this by-law in lieu thereof:

Be it therefore enacted by the said Municipal Council of the said Municipality of Delta, pursuant to the provisions of the "Municipal Act, 1892," and amendments thereto:—

1. That the said recited by-law which was passed and provisionally adopted by the said Municipal Council on the 4th day of May, 1895, be and the same is hereby repealed.

2. That the said report, plans, and estimates above recited be adopted, and that the said dykes, flood-gates, dams, and ditches, and the works connected therewith, be made out and constructed in accordance therewith.

3. That the Reeve of the said Municipality may borrow on the credit of the Corporation of the said Municipality the sum of \$41,320.51, being the funds necessary for the works, and may issue debentures of the Corporation to that amount, in sums not less than \$100 each, and payable within twenty years from the date thereof, with interest at the rate of five per centum per annum, that is to say, in twenty equal annual consecutive instalments, the first of which shall be due and payable at the expiration of one year from the date on which this by-law shall have been finally passed, all of such debentures to be payable at the Bank of Montreal, New Westminster, British Columbia, and to have attached to them coupons for the payment of interest.

4. For the purpose of paying the sum of \$41,320.51, being the amount charged against the said lands so to be benefited as aforesaid, and to cover interest thereon for the twenty years at the rate of five per centum per annum, the following special rate over and above all other rates shall be assessed and levied in the manner and at the same time as taxes are levied upon the undermentioned sections or lots, and parts of sections or lots; and the amount of the said special rates and interest assessed as aforesaid against each section or lot, or part of section or lot, respectively, shall be divided into twenty equal parts, and one such part shall be assessed and levied as aforesaid in each year for twenty years after the final passing of this by-law during which the said debentures have to run.

### AT THE GOVERNMENT HOUSE AT OTTAWA.

Thursday, the 16th day of May, 1895.

#### PRESENT:

HIS EXCELLENCY THE GOVERNOR-GENERAL  
IN COUNCIL.

ON A REPORT, dated 11th May, 1895, from the Minister of the Interior, stating that he has received a petition signed by certain residents of Golden, B. C., asking that the portion of the north-west quarter of Section 7, Township 27, Range 21 west of the 5th Meridian, lying south of the Wapta River, be set apart as a public square or recreation ground.

The Minister learns that the land in question is fairly suitable for park purposes. At present it has no commercial value, and the probability is that it will be many years before it is required for townsite purposes.

The Minister therefore recommends, under the provisions of section 31 of chapter 54 of the Revised Statutes, that the land applied for be reserved from sale and settlement and set apart for the purpose of a public park in connection with the Town of Golden.

The Committee submit the above recommendation for Your Excellency's approval.

JOHN J. MCGEE,  
*Clerk of the Privy Council.*
